### Tigers Lose to Hawks 47-0

The Tigers opened up district play October, 7th and Sadly got shut out by Pleasant Grove 47-0. The

offense struggled while getting into the red zone 3 times but came out with no points. On the game the Tigers had 13 rushes for 30 yards and 17 receptions for 136 yards. Defensively the Tigers had 40 tackles, 33 assisted tackles, 1 interception, 2 pass breakups, and a forced fumble. The Tigers practiced hard the next week preparing for Atlanta and working on being "Nasty."

### Tigers Hurt Themselves, Get Beat 50-30

The Tigers looked to bounce back against a very good Atlanta team but hurt themselves turning it over 3 times

in the first quarter with only 30 yards or less to score. With about 6 minutes left in the first half the Tigers were only down by 14 but the momentum slowly slipped away as the Tigers went into halftime down 35-7. The Tigers had a total of 316 yards of offense but turned it over 5 times. The Tigers are on the road at North Lamar next week.

### Tigers Lose 56-27

Mount Vernon had another rough loss getting beat 56-27. They first quarter went pretty good and the Tigers

were right there with the Panthers. After a bad 2nd quarter of defense the tigers only allowed 14 points the entire second half. They played a lot better and the offense started moving the ball. All of the Tigers touchdowns were rushing touchdowns. Sadly with the loss the Tigers are most likely put out of the playoffs. Mount Vernon travels to Paris next week to take on a very good team. Paris is number one in the district but the Tigers have a couple of tricks up their sleeves.

### Despite Good 2nd Half Tigers Lose 46-14

Mount Vernon shut out Paris in the second half while scoring 14 points. The only problem was they

gave up 46 in the first half. The Tigers showed some good things in the second half that could carry over to next weeks game. The Tigers did defeat one of their biggest problems and that was turnovers. They had zero turnovers all game, scored everytime in Red Zone, and had 100% field goal/ pat attempts. The Tigers did show great pride in never giving up once and fighting till the very end.

## Hawks Defend Home Turf

The Tigers opened up district play against the Pleasant Grove Hawks on Friday October 7. The Tigers started off good, but the offense just couldn't get anything going. The final score was 46-0 Pleasant Grove.

## The Race is on

As District play begins for the 2-3 Tigers, a lot of things will factor into what will hopefully be a successful district race.

## Turnovers Hinder the Tigers

Mount Vernon played host to the Atlanta Rabbits on Friday October 14, and a multitude of turnovers forced the Tigers to come up short.

## Tiger Pride Never Dies

On October 21, MV traveled to North Lamar and fought hard against the Panthers. Falling behind early the Tigers never gave up, and proved the statement to be true that "Tiger Pride Never Dies."

## Wildcats Prowl Over the Tigers

The Tigers played Paris High School on October 28. Paris got points on the board quick to take the lead, and never gave it up.
